

At 6 months, she sleeps at the Hôtel de Glace!

Québec City, February 23^d, 2012 – Last January 31st, the Hôtel de Glace welcomed its youngest overnight guest since its opening in 2001. At 6 months old, the little Zia Dulong Pelletier, born July 29th in South Africa, shared a sleeping bag with her mother, Sylvie Pelletier. Establishing a record at the Hôtel de Glace, the overnight stay of Zia has grabbed the attention of the customers and employees!

To celebrate the anniversary of Zia, her parents decided to visit their family in Québec and spend the night at the Hôtel de Glace. When the other overnight guests heard that the little Zia was getting ready to live this nordic adventure, everybody was surprised and curious. However, everything went well and Zia slept comfortably, next to her mom in the sleeping bag.

Zia's mother said that she appreciated the friendly staff, that she had lots of fun when she got down the Grand Ice Slide with her father, that she found the ice glasses very refreshing... The overnight stay of Zia was fantastic. Her beautiful smile and her bright eyes have charmed everybody at the Hôtel de Glace that night.

Several pictures were taken by Zia's mother during their stay. The mother hopes that Zia will be able to remember this great adventure when she will be older. Everyone was very pleased to welcome this lovely baby and we know that there is definitely nothing impossible at the Hôtel de Glace!

Since 2001, the Hôtel de Glace impresses by its unique character and its magical design. Enjoy one of the famous cocktails served in an ice glass, follow a guided tour, feel like a child again by going down the Grand Ice Slide or spend the night in one of our 36 rooms or thematic suites giving access to the outer spas and sauna. The Hôtel de Glace, a must see attraction to be discovered this winter!
